Atlantic® Fire Resistant (FR)
Biodegradable Hydraulic Fluid ISO 68

Product Name
ATLANTIC® Fire Resistant (FR) Biodegradable Hydraulic Fluid ISO 68

Product Description
ATLANTIC® Fire Resistant (FR) Biodegradable Hydraulic Fluid ISO 68

Product Composition
A vegetable oil derived fire resistant hydraulic fluid with additives that are designed to improve corrosion protection and inhibit oxidation.

Product Technical Characteristics

Testing
ASTM D-2882 Pump Test
Shell Four Ball Wear Test
Vickers 35VQ Pump Test
Vickers V 104C Pump Test
OECD 301B Ready Biodegradability (Modified Strum Test)

Health and Safety
The product should not be used for purposes other than its intended use. Refer the recommendations provided on the Material Safety Data Sheets (MSDS).
